

ACH PAY

WHAT IS ACH PAY?

Our ACH Pay system was created to help businesses like yours reduce their exposure to Automated Clearing House payments fraud by automatically alerting you before suspicious transactions are processed. After a simple setup with our helpful team, ACH Pay is conveniently available right from your smartphone.

ACH PAY BENEFITS

- Have the final say on potentially fraudulent payments before they go out
- Reduce your business' risk of exposure to fraud
- Access ACH Pay from your smartphone with Business Banking Online
- Considerably reduce fraud exposure and potential losses associated with electronic payment fraud
- Follow simple steps to get set up with help from our team
