A BAZING SAVER STORY

“On a sunny afternoon in May several years ago, I was kayaking on the Little Juniata River near Canoe Creek, Hollidaysburg, PA. The water is usually great for kayaking but was low this time with the lack of rain. My kayak became wedged between 2 large rocks and overturned. I had my cell inside my backpack and immediately pulled it out but it had been immersed in the water. After taking the phone to my local Verizon dealer, I was told it could not be repaired. I realized I was eligible for the benefit from BaZing and filled out the claim form and mailed it in. Within several weeks I received a \$400 check in the mail that enabled me to purchase another cell phone.”
