

POSITIVE PAY

WHAT IS POSITIVE PAY?

Find out about potential fraud before it happens with Positive Pay—an automated system that monitors your accounts for outgoing payments, verifying them against a set of identifying details. If things don't seem right, you'll receive a notification, giving you a chance to review the payment before it's processed.

POSITIVE PAY BENEFITS

- Automatically verify all outgoing checks using several unique identifiers
- Receive alerts when checking activity needs to be reviewed
- Get immediate protection against potentially fraudulent payments
- Follow simple steps to get set up with help from our team
